

Junior Summer Fun Day & End Of Season Party

Boston Rowing Club enjoyed fine and sunny conditions for their annual junior club fun day on Saturday 5th September when thirty boys and girls between aged between 11 and 18 enjoyed fun activities on the river Witham from the Carlton Road club venue.

The young rowers were split into four teams of mixed age groups and abilities and had great fun cheering and supporting each other from the newly improved staging areas whilst their team members rowed a 200m obstacle course. The day and the course were designed by BRC's Susie Matson who organised many adult helpers and friends to coordinate the crews through many sculling techniques in order to complete the fun course.

The day finished with the end of year presentations and disco (with a Hawaiian theme) in the clubs function room. Several well deserved and fun prizes were given out on the night including: Most Improved Boy - Will Champion, Most Improved Girl - Emily Gall, Most Promising Boy - Ben Thomas, Most Promising Girl - Fuchsia Summerfield, Best Crew - the women's '8' (Hannah Champion, Angie West, Leanne Cozens, Zoe Hudson, Emily Gall, Catherine Grayson, Ailsa Linnell, Violet Summerfield and Nick Stow).
